Revised January 2021

**Give Them a
Head Start**

What's RightStart?

RightStart is a flexible savings account which pays interest monthly, includes an ATM card, plus it offers really cool RightStart Club benefits! The RightStart account is specially designed for persons who are 19 years and under.

There's no time like the present to set up a RightStart account for your child. The account will help you teach your kids wise spending habits and foster a saving habit for future goals.

RightStart Benefits

Interest will be calculated on the minimum monthly balance and paid quarterly.

Free OneCard available to all account holders:

- 0 -10 years old: card issued in parent's name
- 10 years and older: card issued in child's name

For account holders:

- 0 -10 years old: account opened jointly in the name of the child and parent/guardian.
- 10 years and older: account opened solely in the name of the child.
- Convenience of 24-hour access to account via the Blue Machine.
- Immediate access to funds in an emergency.
- Free local and foreign drafts for educational institutions only.
- FREE Auto Transfers for payment from a Republic Bank account to a RightStart account.
- Make regular monthly deposits to your account hasslefree.
- FREE trendy OneCard wallet to protect your OneCard from damage.
- FREE RightStart Record Book.
- FREE membership in exclusive RightStart Club.
- FREE tokens for new accounts opened
- FREE statements annually
- Discounts at participating merchants
- Parents can use club card to obtain discounts on items for children
- No service fees on account

Banking Tips

- For greater convenience, use the Blue Machine or set up an Auto Transfer to make deposits to a RightStart account.
- Deposit to your account regularly, in this way, you will build your savings and earn more interest.
